

London, 20<sup>th</sup> March 2010

Dear Sir/Madam,

I am very pleased to be able to inform you that your product:

**Durst Rho 1000**

has won the prize

**BEST UV CURABLE HIGH END PRODUCTION PRINTER OF THE YEAR 2010**

awarded by the

**European Digital Press Association (EDP)**

“The award is given for its versatility and the fact that Durst has considered the incorporation of existing loading and stacking elements which can be integrated simply into the overall workflow of the Rho 1000. The Company has refined transport and the ability to print continuous boards/panels at high speeds, saving on set-up and colour matching for long-run jobs”

The EDP Association is made up of publishers of leading European magazines devoted to digital printing and associated products. These publications cover 16 European countries with a readership exceeding 1million graphic arts professionals.
